He is board-certified as a Family Law Specialist by the State Bar's Board of Legal Specialization. Since 1989, he has concentrated his practice in family law cases in Kern County. Mr. Falk is prepared to represent his clients in complex family law matters, including issues of community property, child custody, child and spousal support, domestic violence, domestic partnership disputes, guardianships, step-parent adoptions, and the preparation of premarital and post marital agreements. While facilitating settlements where possible,

Borton Petrini, LLP also recognizes the need to afford family law clients with a full range of litigation services covering pretrial motions (custody and support) and trial if a negotiated resolution cannot be resolved.

Borton Petrini, LLP offers mediation in family law and related issues. Gregory P. Falk is a graduate of Mosten Mediation Training, one of the premier mediation training programs in the world. Mediation allows parties to resolve their legal differences under the guidance of the mediator while avoiding the often nasty and vitriolic confrontation of courtroom litigation. Mediation can take place with or without attorneys, as the participants desire.
